Renewal Weekend

An extraordinary experience

We are praying and asking God to touch our lives in a manner that is beyond what we expect on any normal weekend!

All Salem adults and youth are urged to give this weekend to God. Join others as they give themselves to God in personal prayer, as they receive teaching about God's ways and willingness to revive His people, and as they worship.

We are privileged to have Dr. Lou Petrie, Vice President of the Baptist General Conference, as our guest speaker.

**Clear your calendar and join those
who seek God's reviving presence!**
