

Through love, serve one another.

Galatians 5:13

Many believers want to serve. Most believers know they should serve. But many believers don't know how they can best serve. That is why the Network ministry exists.

Network has been created to assist you in the identification of your God-given passion, spiritual gifts, and personal style, so that you can make your unique contribution in a meaningful place of service. In God's eyes, everyone has a perfect fit... somewhere! Do you know where that is for you? Really?

Now the body is not made up of one part, but many... If the whole body were an eye where would the sense of hearing be?... The eye cannot say to the hand "I don't need you." The head cannot say to the feet "I don't need you."

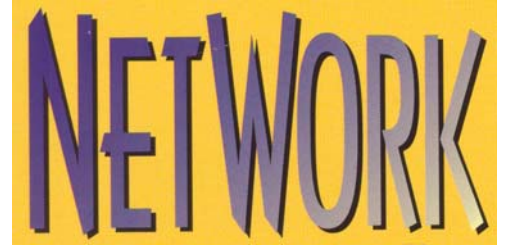

I Corinthians 12:14, 17a, 21

Just as the human body cannot function properly unless the eyes, ears, and hands each do their part, so the body of Christ, the church, cannot function as God intended without each believer doing their part. When you do, you will build lasting relationships, making a difference in God's world with your life. Discover who God has made you to be!

Network is committed to leading the right people to the right places for the right reasons. As you take part in Network, you will take three steps to discover your part in the body of Christ!

Salem Baptist Church

STEP ONE

Discovery Sessions *What is my God-given shape?*

Network's discovery sessions have been carefully designed to help you better understand who God has made you to be. Discover the purpose of the church and your unique role within it.

With a simple approach and proven tools, these discovery sessions will guide you to a greater fulfillment of God's will for your life. Building upon a biblical foundation, practical insights are developed through a variety of presentations using videos, overheads, and small group interaction. You'll discover:

- Your God-given passion
*Indicates **where** you should serve!*
- Your God-given spiritual gifts
*Indicates **what** you should do!*
- Your God-given personal style
*Indicates **how** you should serve!*

Together, they indicate your servant profile and what you do best in the body of Christ!

You will find helpful charts and assessments to assist you in your personal understanding and growth— plus insights into the fallacies and pitfalls that hinder your effectiveness.

Please call Sandy Hagen, 763-571-9441, for more information.

STEP TWO

Consultation *How do I fit in?*

Following the identification of your passion, spiritual gifts, and personal style through Network's discovery sessions, you will have the opportunity to meet with a trained Network consultant. He or she will assist you in connecting who God has made you to be with appropriate ministry needs and opportunities in the church or community.

You can discuss the various ministries and learn about the many ministry positions available here at Salem Baptist Church. There is one for you!

Network exists to serve you, helping you discover what you do best in the body of Christ. As we consider your servant profile during your consultation, we will also consider your stage of life. This important step will encourage you and identify appropriate ministry involvements.

As we seek to assist you in your desire to serve, we will support you in prayer.
